

*autumn things*

*now at rest*

*in some lee*

*or lie*

*now scattling*

*yellowed leaves*

*lend voice*

*to the winds*

*of autumn*

*air cider-edged*

*fragrant*

*of dying things*

*deep, rich*

*ambrosial foment*

*long-held pledge*

*almost touchable moon*

*surprisingly low*

*on the horizon*

*constant friend*

*omen of eternity*

*quivering*

*my senses*
